

By The Hand Club Volunteer Needs

Homework Helpers: Volunteer 1 to 2 hours a week working with children to help them strengthen their math or reading skills.

Helping Hands: If you can't commit consistently, perhaps you can join us impromptu for special needs. We post opportunities frequently where you can step in and help with temporary needs, such as special events or short-staffed days.

Group Volunteers: Are you part of a youth group or Bible Study that wants to get involved? Sign up your team as a group and we will find a need. Whether it's tutoring a kid or a service project, we can use your help.

Administrative Volunteer: Help with managing databases, greeting volunteers and ensuring that all of our volunteers are placed.

College Mentors: Connect with our students who have gone to college through phone calls, writing letters and care packages.

If you are interested in volunteering please contact Julie Heth at (630) 640-3813 or Julie.Heth@bythehand.org or check out our website at www.bythehand.org.
