

Silver Birch Ranch summer camp General Info

Who: Incoming 6th, 7th & 8th grade students

What: A week of summer camp

When: Saturday, July 14th through Friday July 20th.

Where: Silver Birch Ranch in northern Wisconsin

How: Register your student on SBR's website, but payment is made to VCB. There are a few items to note, but more detailed step-by-step instructions are also available upon request.

- **Use the group code **VCB18** when you register.** This makes two very important things happen:
 1. You will only be able to register for the specific week that Club JAM is going to camp
 2. You will not be asked to pay* for your student's registration before logging out
- ***Make payments out to VCB for registration.** VCB is covering the cost of transportation (\$70 per camper). Your **cost will be \$395** made payable to VCB.
- SBR provides transportation by bus from Mount Prospect. As a group, we will be taking this transportation to and from camp. **Please sign up for this on the transportation page of registration.**
- All additional items that would need payment are categorized under "Canteen" and are to be paid to SBR. There is a page during the registration process that outlines the additional canteen items. They are:
 - **McDonalds lunch spending money for bus transportation** Highly recommended, otherwise your child will have to pay out of pocket when we stop for food.
 - Canteen cash – used for snacks or treats throughout the week
 - Photo CD –pictures from the week at camp
 - Week-in-Review DVD – snippets of the week's activities
- Buddy requests should be made through SBR registration.
- Registration is at sbrsummer.org

We look forward to having your student join us for camp this summer!

Please contact Adam Gascho (adamg@vcbweb.org) or Stephanie Jurek (stephanie@vcbweb.org) in the church office with any questions.
